There will be balloons with porch numbers and start times for the participating homes. *Please note:* a new performance starts every 30 minutes. The performers are aware that audience members may leave early to get to the next porch (walking times between porches vary from 2-7 minutes) or may arrive after they have started to play. Some performers may choose to play longer than 30 minutes. Please be quiet and courteous as you leave and arrive. Thank you and enjoy the music!!
